

March 2020

**FEATS 2020**  
**The Hague**

29 May – 1 June 2020

Needless to say, people are very unsure about how things will evolve with the corona virus situation. The Organising Committee is continuing with preparations working on the assumption/hope that the pandemic will have died down, restrictions relaxed and FEATS can take place as planned. Obviously, should this not be the case, you will be informed as soon as such a decision is taken. Most of the participating groups visited the theatre recently and were very happy with the facilities at the Theater an het Spui and also the smaller theatre – in the same building- which will host the Fringe

Cribbed from the FEATS website (with full permission) is the following :

'Hello all FEATS lovers! As you will be aware, there is a great deal of concern throughout the world as to the status of the Corona virus pandemic. Rest assured that the FEATS 2020 organising committee is constantly monitoring the situation and will keep you up to date on any impact on FEATS 2020 on this website and on Facebook, so please come back regularly to check the latest news.

As of the **13/3/2020**, the government in the Netherlands has banned all meetings of 100 people or more until the **end of March 2020**.

As FEATS is taking place at the end of May 2020, **there is currently no impact on FEATS 2020**.

So **please do book your tickets** and be ready for a fun-filled weekend of **excellent theatre, a fantastic fringe, a free party\***, a variety of British/English products for sale, and a selection of tours, all in the setting of our glorious city.'

The Hospitality Package will soon be on the website. It will give suggestions about hotels which are situated near to the theatre. It will also give information about walking tours, parking facilities, etc.

.....

Reading the group newsletter which I receive, I see that the groups are busy preparing their productions for FEATS. Tickets are already on sale. The list of plays looks interesting : lots of unknowns (at least to me!) The groups participating on the main stage, in no particular order, are :

Actors Workout, Munich — *Dumb Waiter*

BSS, Brussels — *Mopsa and Dorcas Hit the Town*

EYT, Brussels — *Brainstorm*

Het Homerotheater, The Hague — *Yellow Moon*

LWTC, Lucerne — *Darlings, You Were Wonderful*

The Hamburg Players — *Mr Foot*

BATS, Antwerp — *Bouncers*

ENTITY, Munich — *Wanda's Visit*

FEST, Frankfurt — *The Madness of Lady Bright*

In Players International, Amsterdam — *The Panel*

The Bonn Players — *Lucy In The Sky*

Village Players, Lausanne — *Chekhov's Gun*

\* The party is free, but no food will be served. There are lots of places nearby where food can be bought and brought into the theatre. The bar will stay open every evening until it closes... The organising committee is also looking into the possibility of having some live music in the bar area during the intervals.

## What's on in the theatre

Dates as given in the groups' newsletters. Please check in case performances have been cancelled
